### Note:

The true and false may be negated, or made positive on the Exam.

### True/False

1. The priority of the imago Dei is axiological as a value of the human person.
2. A Revealed Truth can change.
3. The ancient Greeks referred to *pederasty* as 'the vice'.
4. Homosexual persons are capable of a deep love of Christ.
5. To say that people should be free to choose to engage in premarital sex is an example of freedom that is understood as autonomy.
6. St. Paul considered homosexuality the 'disease of the corrupt mind'.
7. Heterosexual persons are tempted less than homosexual persons.
8. In Ancient Greece, any adult male who was passive, or was engaged in homosexual acts was sharply criticized.
9. It is likely that a person has very little control over their sexual orientation.
10. Revealed truths must be subject to evidences.
11. Homosexual behavior is capable of mutual self-giving and human procreation.
12. The Roman Catholic Church holds those with homosexual orientations to a higher standard than those with heterosexual orientations.
13. Female homosexuality was prominent in Ancient Greece.
14. All human life has dignity and is sacred from birth to natural death.
15. Some procured abortions are permitted under certain circumstances.
16. When life begins is an issue resolved biologically.
17. American eugenicists had immoral intentions with improving the race.
18. Human personhood is dependent on the actuality of rationality.
19. Thomas Malthus advocated immoral means of population control.
20. A toddler is the actuality of an embryo.
21. With the Principle of Double Effect, the bad effect can be foreseen, but not intended.

22. Contraception and NFP differ solely by intention.
23. Roe v. Wade widened the understanding of the 'life of the mother'.
24. Abortion is the major social justice issue of our time. As Catholics, this should be the single issue considered when voting.
25. Lambeth Conference of 1930 allowed use of contraceptives within marriage for limited reasons.
26. The Lambeth Conference of 1920 was the first instance where a Christian denomination allowed contraceptive use.
27. Abortion is the 'Gateway to the Culture of Death'.
28. Proportionate care may be burdensome for the patient and others.
29. An embryo is a potential human person.
30. All spontaneous abortions are immoral.
